1. [REDACTED] Talked with Charles Campbell, on the staff of Senator Richard B. Russell (D., Ga.), and advised him of the decision which the Director had made to grant retirement to [REDACTED]

25X1A [REDACTED] under the CIA Retirement and Disability System. Campbell thanked me for advising him of this change and said he would make a note for their file.

2. [REDACTED] Talked further with Mr. Gary Ensminger, in the office of Representative Paul N. McCloskey (R., Calif.), regarding his request for information on troop strength in the Middle East to be used in a staff briefing of the Congressman. When I learned that this was to be an unclassified briefing which was being prepared by a number of McCloskey's staff members, I suggested that they obtain the unclassified material from DOD and State Department. I also made it clear that if Representative McCloskey wanted a classified briefing from the Agency on the Middle East that Mr. Maury would be glad to give him such a briefing. All of this seemed quite acceptable to Ensminger.

25X1

3. [REDACTED] Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who requested that the transcript of the Director's briefing of 7 July be delivered to the Committee on 8 July for use during the day. The transcript will be returned at the close of business for safekeeping by the Agency.

5. [REDACTED] Oneta Stockstill, on the staff of the House Armed Services Committee, called to say that Chairman Rivers wanted to schedule a meeting of the CIA Subcommittee for 0930 on Thursday, 18 June 1970, in room 2212 Rayburn House Office Building.

I called Russ Blandford, Chief Counsel, House Armed Services Committee, for guidance on what the Subcommittee wished to be briefed on. Blandford said a general roundup was desired to update information provided at our previous briefing (28 April 1970). He said there would be particular interest in Cambodia and the Middle East, and the session would probably run about an hour or an hour and a half.

After checking with the Director I called Miss Stockstill to confirm that the Director would appear as requested, and, in the absence of

1. [REDACTED] Received a call from Mr. Heisler, in the office of Senator Robert W. Packwood, who said that a mutual friend had given him my name as someone knowledgeable on Greece, and that the Senator would like to know the main arguments for and against continued military aid to the Greek regime. I said that, of course, I could not take sides on this question either privately or officially but that the main arguments pro and con had now been fairly widely advanced in the public media and I would try to recapitulate a few of them with the understanding it would be completely without attribution. With Heisler's assurance on this point I summarized the familiar contentions about the evils of the Greek dictatorship on the one hand and Greece's strategic importance to NATO on the other.

3. [REDACTED] In response to their request I accompanied [REDACTED] OCI, to a briefing of Miss Dorothy Fosdick and Mr. Richard Perle, on the staff of the Senate Subcommittee on National Security and International Operations, on the situation in the Middle East. They were primarily interested in a comparison of the situation in September of last year with the present. They were also interested in the extent of Soviet personnel participation, aircraft losses on both sides, and the status of SAMs. Mr. [REDACTED] covered these points with them in detail and they expressed their appreciation for the briefing.

25X1

4. [REDACTED] Neal Bjornson, on the staff of Senator Milton Young (R., N. Dak.), called to advise that Senator Young finds he will be unable to address the Mid-Career Course this Friday. Bill Woodruff, on the staff of the Senate Appropriations Committee, said he would be glad to address the group if we were unable to find another Member at this late date. We propose to go ahead with Woodruff and to have him stay for lunch with General Cushman.

6. [REDACTED] Talked with Mary Rita Robbins, on the staff of the Senate Aeronautical and Space Sciences Committee, about our destroying extra copies of some of our old testimony before the combined Space and Preparedness Committees. With her agreement we will do this, checking with her in each instance to make certain that her records and ours are the same.

We are retaining copy number 1 of the Director's testimony of 29 January 1960 and destroying copies 2 through 6.

We are also retaining copy number 1 of the original transcript of the Director's testimony of 24 February 1960 (which had been incorrectly bound by the printers) and copy number 1 of the transcript which was corrected. We are destroying copies 2, 3, 8, and 9.

1. [REDACTED] Raised with Ralph Preston, Staff Assistant, House Appropriations Committee, our problems with the Ervin bill (S. 782) and the possibility that Chairman Mahon might be willing to intercede with Representative Donald Henderson, whose Subcommittee has jurisdiction over the bill, and support our request for a complete exemption. Preston thought Mahon might agree to do this, and in any event saw no harm in raising the matter with Mahon at the proper time.

3. [REDACTED] In response to his request, delivered to Mr. J. G. Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, copies of two unclassified maps of the interface between the Soviet Union and Mongolia for Committee use in hearings to be published this weekend. Mr. Sourwine was most appreciative.

25X1

4. [REDACTED] Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that in the review of the transcript of testimony by Mr. Robert Froehlke on the intelligence community budget, normal security review was accomplished by the Department of Defense. He will check further to see if there was anything unusual or any discussion about this particular transcript and will advise me.

I briefed Mr. Preston on the Middle East situation and the Soyuz 9 mission.

25X1

8. [redacted] Called Robert Hull, Department of State, to determine if Deputy Under Secretary Macomber had been able to meet with Roger Jones, Bureau of the Budget, concerning the funding of the Foreign Service retirement system. Hull said the meeting had not yet taken place as Jones was preoccupied for the time being with the Bureau of the Budget reorganization and Postal reorganization.

Mr. Hull called for a rundown on the Ervin bill (S. 782) which I supplied him along with the changes from S. 1035. I told him the Manpower and Civil Service Subcommittee, House Post Office and Civil Service Committee, had requested our comments and I understood a similar request was being made of NSA and the Civil Service Commission. Hull said the Department had commented on the bill to the Subcommittee previously and probably would do so in connection with S. 782.

25X1

9. [redacted] Met with Mr. Ralph Preston, House Appropriations Committee staff. Mr. Preston told me that Tuesday will be the only day next week that Representative Frank Bow (R., Ohio) and Representative William Minshall (R., Ohio) will have free time to meet with George Carver and [redacted] for a follow-up briefing on Sihanoukville and North Vietnam supply routes into South Vietnam. He told me also that Chairman Mahon may want to sit in on the briefing. Mr. Preston will check with the Chairman and with Representatives Bow and Minshall and call me. See Memorandum for the Record of 11 May.

25X1A

10. [redacted] In response to his request, I met with Mr. Frank Slatinshek, Assistant Chief Counsel, House Committee on Armed Services, and briefed him informally on the preliminary assessment of the new Soviet bomber. Although Mr. Slatinshek had no quarrel with the facts presented, he was quite annoyed that the briefing provided by Air Force representatives during the week gave quite a different impression: "that of a heavy bomber." He also asked why the Agency and Air Force are not better coordinated in such matters. I told him I would relay his question but that the preliminary estimate of the new bomber was in fact prepared by the Foreign Technology Division of the Air Force.

I agreed that we would meet to brief him in his office at 4:00 p.m. tomorrow.
